

## *Rates for translation and proofreading in can\$*

**Translation** rates for source texts (except legal) > 500 words: **0,09 can\$/word**

**Proofreading/editing** rates for source texts > 1000 words: **0,045 can\$/word**

### Language pairs:

- English to Dutch
- Dutch to English
- Spanish to Dutch
- Dutch to Spanish
- Spanish to English
- English to Spanish
- German to Dutch

*The above mentioned rates are based on the total amount of words.*

*Legal source texts have the minimum rate of 0,10 can\$ per word.*

Source texts with many repetitions can apply a **Studio WEQs breakdown**, the rates will be **0,10 – 0,12 can\$** per word in a unique sentence, thus after the WEQs breakdown. You may also apply the rate of **0.09 can\$** per word for the total amount of words. Choose the option that best suits you!

Source texts containing less than 500 words have the fixed rate of **45 can\$ (translation)**.

*For source texts containing >10.000 words I can offer the **word rate of 0,08 can\$ for translation and 0,04 can\$ for proofreading/editing.***
